Presents:

"The Finer Edge"

Skating Lessons for Beginner Figure Skaters!

The "The Finer Edge" Program is designed to teach figure skating skills at a faster pace in a small group lesson environment. Offering this affordable package program is our way of encouraging advanced Basic Skills or ISI skaters to learn more difficult skating skills as well as start to get the feel of being a figure skater.

Skaters must be confident on the ice and be able to skate forward & backward, on 1 foot & do 2-foot turns. **This translates into levels:**

- USFS Basic Skills levels 4 (or coaches recommendation) to 8
- ISI levels Beta to Freestyle levels

Small group lessons: Skaters will be grouped first by ability then by age 30 minute Practice Time using whole rink ice:

- Gives time for you to practice what you have learned during your lesson & get the feel of skating on a real freestyle session
- Give yourself and/or your child the advantage: **Private or Semi-Private lessons** available during practice times!
