

## Winter 2010 Ice Packages

January 1 – March 26

The following **purchase options and policies** apply:

- 1 **Early Bird Special:** for members of Albany Figure Skating Club members in good standing; skater purchases all sessions in the package and receives the best hourly rate. **Early Bird Deadline – postmarked by 12-12-2009**
- 2 **Open Registration:** for any member or non-member skater; skater purchases all sessions in the package and receives an hourly rate less than buy-on rate.
- 3 **Buy-on Purchase:** for any member or non-member skater, buy-on at rink, on a space available basis. Skater must check in with session supervisor before entering ice.
- 4 **½ Session Package Purchase:** restricted to skaters age eight or less. Skater purchases ½ of session at rate of one-half of purchase price of early-bird or open registration. You must indicate which half hour you are purchasing on the registration form.
- 5 For the safety of everyone on the ice, with the exception of low freestyle sessions, skaters must be >8 years old, Delta level or above, or in a lesson.
- 6 After the first week of package ice has elapsed, the package remainder will not be sold on a prorated basis; buy-on purchases will be available if space is available.
- 7 There are no refunds with package purchases except as described in AFSC policy.
- 8 Two complimentary make-up ice sessions are provided for all Thursday and Friday packages purchased, one make-up for Monday packages (because there are fewer weeks in the package) for missed ice time, no exceptions; rules follow:
  - a. A skater may make up a missed session on any session, space permitting; this is coordinated with the session supervisors.
  - b. The amount of time made up must coincide with what is purchased. This is coordinated through the session supervisors.
  - c. All make-up sessions must occur on Winter 2010 ice; there will be no carry-over to a subsequent freestyle ice package.
- 9 All skaters, including buy-ons, must have a **current Authorization for Medical Treatment waiver** on file (forms available at rink from the session supervisor).
- 10 After skating on AFSC ice 3 times in a Club Year (July 1, 2009-June 30, 2010) a skater must be or become a member in good standing of USFS or a USFS-member club (such as AFSC).

Please call Tedi Coleman at 439-4244 or Laurie Lombardi at 439-8026 with questions.

In keeping with AFSC policies, if there is not a volunteer to be supervisor for the entire session, all package purchasers are responsible for making sure there are session/music supervisors for each day of the session. With the minimum package purchase of 1.5 hours for Thursday and Friday and 2 hours on Mondays, scheduling is a challenge. To the extent possible, we work to accommodate all schedules. In order to help us do that, please indicate which 1 hour timeslot for the session you are purchasing is the best for you to supervise. On the following page you can indicate which days you are absolutely not available.

\*\* For the 2 Hour package on Fridays please indicate here what 2 hours you are purchasing\_\_\_\_\_.

You must either complete the supervisor duties or find a replacement. (e-mails of others skating during that time will be provided at the beginning of the session). Failure to do so will make your skater ineligible for early-bird rates during future AFSC freestyle packages. The schedule will e-mailed and will be placed in the session supervisor binder at the rink.
